## ***Saving the old stuff***

Actually, Iâ€™m quite proud of some of my earlier posts on my old blog.

I worked long and hard on many of them â€“ OK, everything wasnâ€™t a gem, but some were â€“ if I must say so myself.

Iâ€™ll be gradually bringing them across and classifying them as such.

I hope you enjoy them â€“ either for the first time or seeing them again.

Take careâ€¦
