

The Geller Legacy

It's amazing, to me, that more than 30 years after Uri Geller made headlines that his name is still solely synonymous with *Psychokinesis*.

This YouTube video is a good example:

THE UNEXPLAINED: The bizarre case of psychokinetic Ninel Kulagina

The ongoing fascination with PK should make every magician have a believable routine in his repertoire that is, hopefully, ready to go at all times. After all, you are a magician - DO SOMETHING MAGICAL!

Take care.....
