

Something a little serious

[Drivel & Drool](#)

From Paul Harvey - For your consideration

We have exploited the poor and called it the lottery.

We have rewarded laziness and called it welfare.

We have killed our unborn and called it choice.

We have neglected to discipline our children and called it building self esteem.

We have abused power and called it politics.

We have coveted our neighbor's possessions and called it ambition.

We have polluted the air with profanity and pornography and called it freedom of expression.

We have ridiculed the time-honored values of our forefathers and called it enlightenment.

We don't even sing "God Bless America " any more in schools.

We have lost our spiritual equilibrium and reversed our values.
