

Now here's a magic book I would buy

There are several books out that teach you how to get women with your magic e.g. *Tricks To Pick Up Chicks* or *PUMA*. Those guys meet the classic definition of consultant:

consultant - someone that knows 350 ways to make love, but doesn't know any women

Criss Angel may not be much of a magician, but whatever he does must work. His latest squeeze:

Way to go Criss!!
