

Just look at that boy cipher

Brooks sent out a PM today, 12/5/09, hawking some of *His Holiness'* stuff. In part:

from now until December 24th, 2009....blah, blah

*Don't THOSE crease your Card Case?!? But there's only about 10 days left.....blah
blah*

Not only can he turn a clever phrase, but he ciphers like Jethro Bodine.

Dumb ass!
